10:05AM Official Warm-up

10:15AM Official Step-off time (The LAST TIME you step into street competition as a Minuteman. Make it count!)

*“The auxiliaries march past, the Minutemen band steps to the line,
And now the Seniors realize, that this is their last time.
Their last time where their hearts race, as they look down the street,
The last time they're called to attention, the last time they compete.
Jay leads us front and center for one last run,
Kristen gives it her all for her first-last one.
Kat and Paul nail “the line”, hyping us up from the start,
And Megan is soundin' PHAT on that first french horn part!
Summer smiles big as she breaks into a shasse,
Pablo breaks his back, but we're at attention, so he acts like its okay...
Brenda Parra plays a beautiful flourish and Anna passes the finish line,
Brenda M. and Daniela shed a tear, as together, this is their last time.
Jessica catches her final toss, Amber hits her final pose,
And like that, 4 years pass, and the Seniors' last time comes to a close.”*

 And Charlene’s sounding like Count Basie has just come back to life.
 Dennis walking up and down that bass like a young Ray Brown,
 Anjali hits those & of 6’s strong, making a funky 7 sound.
 Victor soothes us sounding smooth, feels like Kenny Burrell,
 While Cory accidentally breaks the amp, because he’s shreddin’ like hell.
 Michael leads us to the end, Colton solos down to the wire,
 We stand, we bow, we exit quick, because we set that stage on FIRE!”*

12:10PM Performance DONE!
 12:15PM The Senior’s LAST TIME doing the CIRCLE RECAP
 12:30PM EVERYONE packs up everything
 1:00PM LUNCH OF CHAMPIONS!!!

1:14PM Kat and Colton reminisce on their past 4 years in the program.
 1:21PM Kristen and Charlene are laughing at something nobody knows about.
 1:25PM Renna leaves to go potty.
 1:35PM Sarah and Teagan see Melissa and Jerzy in the distance, so they crop-dust them then rush back to the senior tent. #USACampReactsOnly
 1:36PM Michael was the only one that saw that crop-dust and is still wondering if he made the right choice in joining Marching Band.
 1:45PM Amber makes a short 17-minute speech, starts bawling, and goes around to give everyone hugs.
 2:02PM Brenda Morales and Daniella are crying again because they’re realizing they only have 6 months, 2 weeks, 1 day, 4 hrs, and 58 mins until graduation.
 2:04PM Cory’s on his seventh and final tissue box from Walnut Fest.
 2:05PM Victor has his guitar out and is playing some nostalgic Green Day song to enhance the crying mood.
 2:06PM Jessica is silently judging all this crying and sappy stuff.
 2:07PM Brenda Parra is still low-key mad that Lejano called her Brenda Morales.
 2:07PM Alex is rad.
 2:10PM Paul thought it was time for a speech of his own. He stands and begins saying what he thought would be a motivational, inspirational type of speech but then everyone started laughing (‘cause Paul), so he played it off like it was supposed to be funny by awkwardly laughing with everyone in the way that Paul awkwardly laughs off situations... But in reality, he’s pretty confused and somewhat offended.
 2:12PM Anjali is glad she never joined marching band, because y’all are pretty weird.
 2:15PM Renna leaves to go potty. Again.
 2:20PM Summer falls... hehe, get it? Like Fall. But she’s Summer. Seasons. Winter. Cold. Snow. Snowman. Olaf. Let it go. Disney. Pixar. Toy Story. Back to Disney. The Walnut Fest Show. Band. Auxiliary. Letter. Summer spins a letter. BOOM: Inception. Watch the movie.
 2:28PM Anna’s actually telepathic and has been reading everyone’s minds this whole lunch.
 2:30PM Max morphs into a power ranger.
 2:30PM Megan is embarrassed that Max actually brought a power rangers suit to a band review.
 2:30PM Pablo thinks it’s the coolest thing ever.
 2:31PM Dennis is Dennis. ‘Nuff said
 2:33PM Lejano goes around to shake all the seniors’ hands but Jay goes in for a high-five instead.

4:00PM Report for awards at the Fairfield High School Stadium
 5:30PM Back to buses, final recap
 5:35PM Picture
 5:45PM Depart for Concord High
 6:30PM Arrive at CHS, unload (Cory’s LAST TIME inducting someone into the yoked squad)

Take your instruments home to practice this break!
 (DO NOT GO 10 days with no practice. KSHANE KNOWS WHERE YOU LIVE 0.o)

And with the snap of my finger, I now declare all the Seniors time complete!
 (Cue Colton falling into Lejano’s arms saying, “Mr. Lejano, I don’t feel too good...”)
 Have a fantastic Thanksgiving Break!
