All Instruments and Equipment? AWAY
All uniform bags? RACKED
All shoes and hats? BLOOPED
The Racks themselves? McYEETED

1:30PM Have fun but stay in McGangs of 4 at ALL TIMES!

If you are caught alone then you will be banished to an alternate dimension that is exactly like ours except everyone is named Phillip, which is funny for the first 4 minutes... then it really sets in... Everyone is named Phillip. Everyone...

DON'T LOSE RYAN omg I can't McStress that enough

Gabe is gonna eat deep fried diabetes, bet! Everyone should join him though, doesn't a deep fried twinkie seem refreshing.

Gavin is probably going to be doing something really random right about now

Having learned from last year's itinerary, Rainiero is now a master of dodging fictional bird poop
RASCON GANG PT2!?

Isn't there an arcade on the boardwalk? I'm sure some absolute **GAMER**, Like Lawrence or Sean will end up there.

Billy will try to catch a bird, with very little success

You guys ever notice how fast Alma and Timothy run after rehearsal. They should settle it once and for all and have a race on the beach! It'd be tough but like, fun ig.

Brooklyn is probably saying something Wild, self deprecating, or both and we all know that Cassidy, Liz, and Isaac are laughing at it. Also, is it Isaacor Isaac or Isaac or Isak or Isik or Isek or Isokk or Isicc or Aizik or Ai'Ske or I sick or Eye sack or Aye, sick or Ayzikk or Alrighty y'all get it!

Andrea and Lucy are 100% breakdancing right now

*Director's meeting at 4:00PM at the McBeach Deck

4:30PM Meet at our spot for awards! (Watch Mendoza vibe with Merced)

5:00PM Awards begin!!! (We are in 3A, awards will be given out based on division for band, aux, perc. Kenyon is in the Mace category for Drum Major)

5:55PM Post awards Recap and Group pictures on the beach! (smile for Joe!)

6:00PM Last free hour at the park!!! (rides close at 7 and there's a bunch of traffic in that parking lot right now so might as well enjoy a few more rides with that overpriced wristband your parents bought ya! If you don't have a wristband, jump in the water. You won't.)

7:00PM Back to Buses! Honor Max Dowd and buy some peanuts! Go peepee again too!
Help Kenny carry his **HEAVY SWEEPSTAKES TROPHY OH BOI**

If the santacruz people remember to put him in the right division that is...

7:20PM Load buses and depart! Hopefully y'all will be too tired for a billion bottles of milk on the wall!

9:40PM Arrive at CHS, nobody is dismissed until EVERYONE puts everything away

10:00PM **DISMISSED!** It's been a thicc minute so go home and recharge!

Cool kids go to nations, but even cooler kids go to nations and remember guiding principles #1 and #3!

Get ready for some Nations fun times! I have no doubt that fewer people will go but the people who do go will be vibin' so hard. Im talking Arm wrestling, syrup chugging, ~~eating the flowers~~, Going to Mcdonald's, getting trays of ketchup and actually EATING it all, and of course The Hunger Games for anyone that crazy. The Hunger Games is where you go down the whole street going from food place to food place, ordering stuff until someone dies pm.
